1 August 1955

To: St/I/R, Attention - Mr. [REDACTED]

Thru: Acting Chief, D/S

From: Chief, S/CST

Subject: Economic requirements for OCI Periodic Requirements List for the Months 1 September 1955- 31 December 1955, USSR and Satellites, (ORR 9252)

The following current information target requirements for inclusion in subject List are herewith submitted:

a. Retain item 1, c- page 13

b. Add new items on page 17:

4, b, (9)- Any information on type, size, and location of construction organizations performing shelter construction.

4, b, (10) - Information on priority and financing methods used in construction of shelters for both existing and new projects.

c. Retain item 7, c- page 13

d. Add new items on page 19:

3, c- To what extent is the construction labor force expanding?

Indications are that little, if any, increase in numbers may be expected because of the requirements of agriculture and the manufacturing industries.

5, a- Information on the beginning of construction of new, large projects (not housing, warehouses, garages, M.T.S.'s, etc); or information on the abandonment or suspension of any type of construction project.

9, b- Information on the creation or abolition of specific construction Trusts of GLAVKs.

9, c- Information on any significant change in the size or composition of the construction labor force in a specific locality or region. Information on significant changes in the numbers of students attending construction schools.

9, d - Evidence of the progress being made in prefabricated (concrete) production of component parts for housing. Are there signs of increased total urban housing for 1955: If so, how much?

9, e- Evidence of new cement plants under construction or planned for future construction.

S-E-C-R-E-T

e. Add new item on page 21:

5, c- Information is desired on the volumes of construction materials shipped within the Orbit and the extent of technical assistance in construction given and received by the individual Satellites.

f. Retain item 11- page 23

g. Add new item on page 30:

6, g- Information on cement or brick production. Are new cement plants under construction?

h. Add new item on page 34:

2, g- Information on cement or brick production. Are new cement plants under construction?

i. Add new item on page 38:

4, g- Information on cement, brick, and flat glass production. Are new cement plants under construction?

j. Add new item on page 42:

7, a, (3)- What effect, if any, is the emphasis on heavy industry having on housing?

k. Retain item 2, c - page 46

l. Add new item on page 46:

2, h- Information is required on new cement plant construction as well as cement, brick, and other construction material production.

m. Add new item on page 54:

14. Construction Activities

a. Information is required on new cement plants planned or under construction.

b. Data on the investment plan is required, with particular reference to the part of investment devoted to construction activities.

n. Retain item 2, a- page 56.

o. Add new item on page 57:

2, d, (4)- Information is required on new cement plants planned or under construction.
